

## Invitation to SWTOP members

Lauren Scharff, Scott Bailey, and I, the members of SWPA—Southwestern Psychological Association’s President’s Council, have all been active participants in SWTOP conferences. We were sorry to hear that the fall conference will not occur, and are eager to see SWTOP continue its service to psychology teachers in the region.

Together we thought that SWPA should extend an invitation to those who participated in SWTOP to attend SWPA’s spring convention in Dallas. Those who planned to present at SWTOP are welcome to submit abstracts for our program, and those who appreciated the insights about teaching may well benefit from SWPA’s continuing attention to teaching issues.

The SWPA convention will occur April 8 – 10. Our abstract submission process is now open and will remain open until November 30. You may find details about the conference on the web at [www.swpsych.org](http://www.swpsych.org).

If SWTOP members wanted to meet during the SWPA meeting to discuss future plans, a representative could ask our program chair for a room and time for such a meeting. We would welcome the opportunity to facilitate ways to enhance SWTOP’s function for teachers of psychology.

Arn Froese, President Elect

SWPA
